

# Transforming Community Health Through Personalized, Local Care

*Centene leads the way in LTSS through local partnerships and better outcomes.*

Centene Corporation is a leading national healthcare enterprise committed to supporting older adults and persons with disabilities through transforming the health of the communities we serve, one person at a time. Centene is committed to helping people live healthier lives. We provide access to high-quality healthcare, innovative programs and health solutions that help families and individuals get well, stay well and be well.

As a leader in LTSS, we know that every individual, and every community, faces unique challenges. Through collaboration with State governments, Community-Based Organizations, LTSS providers, and other stakeholders, we bring solutions for improved quality of life and better health outcomes.
