

Transforming the Health of the Communities We Serve, One Person at a Time

By delivering better health outcomes at lower costs

Centene Corporation, a Fortune 500 company, is a leading healthcare enterprise that is committed to helping people live healthier lives. The Company takes a local approach — with local brands and local teams — to provide fully integrated, high-quality and cost-effective services to government-sponsored and commercial healthcare programs, focusing on under-insured and uninsured individuals. Centene offers affordable and high-quality products to more than 1 in 15 individuals across the nation, including Medicaid and Medicare members (including Medicare Prescription Drug Plans) as well as individuals and families served by the Health Insurance Marketplace.

Centene uses its investor relations website to publish important information about the Company, including information that may be deemed material to investors. Financial and other information about Centene is routinely posted and is accessible on Centene's investor relations website, <http://investors.centene.com/>.

LOCAL APPROACH WITH CULTURAL SENSITIVITY

We employ approximately 60,900* people, many of whom work in our local health plan organizations across the United States. Our hiring practices strive to identify the best talent and to employ the best qualified individuals with the relevant skills and experiences to serve our members in the communities we serve. Equally important, our staff training focuses on the impact of culture on healthcare decisions, the impact of poverty on health and the importance of providing appropriate resources for members with disabilities or linguistic barriers.

CLINICAL INTERVENTIONS AND PROGRAMS

Centene utilizes evidence-based clinical programs that target specific conditions and disease states such as diabetes, asthma, heart disease, and obesity. In addition, Centene develops solutions that respond to the complex health needs of a wide range of individuals, including lower-income pregnant women, newborns, persons with intellectual and developmental disabilities, children in foster care, and migrant workers.

ADDRESSING MEMBER NEEDS THROUGH INNOVATION

Advanced Technology Systems and Tools

Centene's technology and digital infrastructure is designed to help close the gap between health and care to deliver real-time results. Our systems provide members, healthcare providers, and caregivers secure access to health information and treatment history. This includes prescription drug use, immunization history, reported allergies, past doctor visits, behavioral health history, laboratory tests, and vital signs.

Personal Member Outreach and Support

Centene's commitment to whole health is guided by industry-leading insights into the social, behavioral, and environmental drivers that impact the health of the most vulnerable populations. Our data-driven approach is designed to empower members to make more well-informed decisions along their care journeys. Personalized outreach through Community Health Workers helps members navigate the healthcare system and access valuable community-based resources.

Incentives for Healthier Living

Incentive programs like My Health Pays® encourage healthy activities, such as regular check-ups and routine screenings, to strengthen the relationships between members and their providers while promoting personal healthcare responsibility.

Helping Mothers and their Babies

Start Smart for Your Baby® is an extensive, award-winning education, care management, and outreach program for pregnant members, new moms, and their babies — helping to lower the risks of premature births and admissions to neonatal intensive care units.

QUALITY means going above and beyond to make sure our members get appropriate preventive care to stay healthy, and that they receive the right care in the right place. As a part of our commitment to the highest quality care for our members, we pursue accreditation by independent organizations such as Utilization Review Accreditation Commission (URAC) and the National Committee for Quality Assurance (NCQA) for our programs and health plans across the country, wherever eligible.
